

With USI Fiber you can ditch cable without giving up TV.

Here's how to get started...

1. THE RIGHT INTERNET CONNECTION

300 mbps with USI Fiber is more than enough to stream your favorites shows.

2. A SMART TV OR A STREAMING DEVICE

Some of your options include:

ROKU

Google
Chromecast

Google Chromecast is a trademark of Google LLC.

fire tv stick

Apple tv

3. STREAMING SERVICE

Watch what you want, when you want, how you want.

And remember – most offer the first month free !
